- (iii) In the event that the Trustee determines at any time (after consultation with the Managers and having obtained such advice as they may deem necessary) that it would be detrimental to existing Holders to issue or continue to issue Units at a price based on the net asset value of the Deposited Property as described in the preceding paragraph, then the Trustee shall instruct the Managers either to substitute such Value with the latest available Value or to adjust the Issue Price within the limits permitted by this Trust Deed. The Trustee with the concurrence of the Commission and in accordance with the provisions of the CIS Code may instruct the Managers temporarily to suspend the issue of Units during any period of consultation or adjustment arising from the provisions of this sub-clause.
- (iv) In the event of arrangements being made by the Managers for the issue of Units for delivery into any country outside Sri Lanka, the price at which such Units may be issued may, at the discretion of the Managers, as an addition to the price of issue as hereinbefore provided, include a further amount sufficient to cover any (i) currency exchange fluctuations, (ii) additional stamp duties and/or (iii) taxes, whether national municipal or otherwise leviable in that country in respect of such issue or of the delivery or issue of a Transaction Receipt in connection therewith or the remittance of money to Sri Lanka.

- 11.3 Notwithstanding the preceding provisions of this Clause, the Managers with the approval of the Trustee shall be entitled from time to time to make an invitation to the public to apply for Units at a fixed price (in this Clause referred to as the "Fixed Price"), being the price per Unit calculated in accordance with Clause 11.2 on the third Business Day immediately preceding the date of publication of such offer, and for a period not exceeding Seven (07) Business Days from the date of such publication. Any invitation to subscribe at the Fixed Price must name at least one newspaper, in which the current offer price calculated as above shall be published during the period of the offer. Units may be issued or sold at the Fixed Price whether pursuant to the public offer or not.
- 11.4 The Managers shall furnish to the Trustee from time to time on demand a statement (i) of all issues of Units and of the terms on which the same have been issued and (ii) of any Investments which they determine to direct to be purchased for account of the Scheme, (iii) of any Investments which in accordance with the powers herein contained they determine to direct to be sold for account of the Scheme, and any other information which may be necessary so that the Trustee may be in a position to ascertain the net asset value of the Deposited Property at the date of such statement.
- 11.5 The Managers may, with the approval of the Trustee and the Commission, suspend the issue of Units during:
- (i) the existence of any state of affairs which, in the opinion of the Managers, constitutes an emergency as a result of which disposal of such Investments would not be reasonably practicable or might seriously prejudice the interests of the Holders as a whole and/or of the Deposited Property;
 - (ii) any breakdown in the means of communication normally employed in determining the price/Value of any of such Investments or the current price on any Recognized Stock Exchange, or when for any reason the prices/Values of any of such Investments cannot be promptly and accurately ascertained;

Such suspension shall take effect forthwith upon the declaration thereof by the Managers and shall terminate on the day following the first Business Day on which the condition giving rise to the suspension shall have ceased to exist and no other condition under which suspension is authorised under this sub-clause shall exist.

- 11.6 The Managers may at any time with the approval of the Trustees on giving not less than twenty one (21) days prior notice in writing to each Holder determine that Units shall be subdivided or consolidated and the Holders shall be bound accordingly. The Managers may in such notice require each Holder (who shall be bound accordingly) to deliver up his Transaction Receipt (if any) for endorsement or enfacement with the number of Units to be represented thereby as a result of such subdividing or consolidation or may send or cause to be sent to each Holder at his risk a Transaction Receipt representing the number of additional Units to which he has become entitled by reason of such subdivision.

- 11.8 There shall not be any initial charge levied on a Holder on the subscription to and purchase of Units.
- 11.9 The consideration paid in respect of any duly created and issued Units shall become the property of the Scheme and be part of the Deposited Property thereof immediately on receipt of such consideration by the Trustee.

12. CANCELLATION OF UNITS

- 12.2 In respect of any such cancellation of Units the Managers shall be entitled to receive out of the Deposited Property an amount per Unit ascertained by dividing the Value of the Deposited Property as at the close of business on the date of issue of such notice by the number of Units then in issue and deemed to be in issue, after deducting therefrom such sum (calculated on the same basis as for the purposes of Clause 13) as the Managers may consider represents the appropriate allowance for Duties and Charges in relation to the realisation of the Deposited Property.
- 12.3 The said amount shall be payable to the Managers on or as soon as practicable against surrender to the Trustees of the Transaction Receipts (if any) representing the Units to be cancelled and delivery to the Trustees of particulars of the Units to be cancelled in respect of which no person is entered in the Register as the Holder thereof. Upon such payment and surrender the Units in question shall be deemed to have been cancelled and withdrawn from issue.
- 12.4 The Trustees shall be under no obligation to check the calculation of the amount payable to the Managers but shall be entitled if it so desires to require the Managers to justify the same. The Trustees shall not be liable for any incorrect calculation of the amount payable to the Managers.
- 12.5 The Trustees shall not be liable for the wrongful cancellation of any Units save in the case of negligence on its part.

- 12.6 The right of the Managers to require cancellation of any Unit shall be suspended during any period when the right of Holders to require redemption of Units is suspended pursuant to Clause 13.

13.1

- (i) Subject to Clauses 13.3 and 13.4, the Managers shall on receipt by them or by their duly authorized agent of a request in writing by a Holder (other than the Managers) redeem Units from such Holder on any Business Day as may be agreed between the Managers and the Trustees, all or any part of the Units (including any fraction of a Unit) comprised in his holding at a price per Unit (and proportionately in respect of any fraction of a Unit) ascertained by dividing the net asset value of the Deposited Property as at 4.30 p.m. (Sri Lanka time) on the date of receipt of the request, if such receipt is received before 12.00 noon on a Business Day, by the number of Units then in issue and deemed to be in issue, after deducting therefrom the Exit Fee, if any, and such sum as the Managers may consider represents the appropriate allowance for Duties and Charges in relation to the realization of the Deposited Property and by adjusting the resulting quotient downwards to the nearest ten cents (Rs.0.10) which may be retained by the Managers with the approval of the Trustees. The Trustees shall be under no obligation to check the calculation of the amount payable in connection with any redemption of Units pursuant of this Clause, but shall be entitled at any time to require the Manager to justify the same.
- (ii) In the event a request for redemption is received by the Managers after 12.00 noon on a Business Day, the price per unit as calculated pursuant to Clause 13.2 (i) hereof shall be ascertained by dividing the net asset value of the Deposited Property as at 4.30 p.m. (Sri Lanka time) of the Business Day immediately succeeding the date of receipt of the request to redeem Units.
- (iii) In the event that the Trustees shall at any time determine (after consultation with the Managers) that it would be detrimental to the remaining Holders to redeem or continue to redeem Units at a price ascertained on the basis of the Value of the Deposited Property as described in this Clause then the Trustees shall instruct the Managers either to substitute such Value with the latest

available Value or to adjust the realization price within the limits permitted by this Deed upon obtaining the concurrence of the Commission for such substitution or adjustment. The Trustees may with the concurrence of the Commission in accordance with the provisions of the CIS Code instruct the Managers to temporarily suspend the redemption of Units during any period of consultation or adjustment arising from the provisions of this sub-clause and Clause 11.5.

13.2 In relation to the provisions of Clause 13.1 the following provisions shall apply: -

- (i) Subject to Clause 4 hereof, no such request to redeem shall be valid unless the Holder shall have delivered to the Managers or their authorized agent the Transaction Receipt or Transaction Receipts (if any) representing the Units to be redeemed with the endorsement or endorsements thereon duly completed by the Holder or in the case of joint Holders by both or all of them and any such duly completed endorsement shall for all purposes of this Trust Deed be deemed to be a transfer in favour of the Managers;
- (ii) A Holder shall not be entitled to require the Managers to redeem his Units otherwise than in multiples of Ten (10) Units or to redeem part only of his Units if as a result of such redemption he would remain a Holder of less than the Minimum Holding but so that in the event of such sub-division or consolidation as is mentioned in Clause 13.8 having taken place any such prescribed number shall be proportionately increased or diminished (as the case may be);
- (iii) The Managers may at their option dispense with the delivery as aforesaid of any Transaction Receipt which shall have become lost stolen or destroyed upon compliance by the Holder with the like requirements to those arising in the case of an application by him for the replacement thereof;
- (iv) The price shall be payable to the Holder within ten (10) Business Days from the date of receipt of the request for the redemption of the Units, or within such other longer period as may be approved by the Commission.

proportion redeemed of each holding so requested to be redeemed (or, in the case of the Managers, to be cancelled under Clause 13.4 hereof) is the same for the Managers and for all such Holders. Any Units which, by virtue of the powers conferred on the Managers by this paragraph, are not redeemed or, as the case may be, cancelled shall be redeemed or cancelled (subject to any further application of the provisions of this Clause 13.4) on the day succeeding the day referred to in Clause 13.1 above; Provided that if on such next succeeding day the total number of Units to be cancelled or redeemed (as the case may be), including those carried forward from any earlier day, shall exceed the aforesaid limit the Managers shall be entitled to further carry forward the requests for redemption (or cancellation, in the case of the Managers) until such time as the total number of Units to be cancelled or redeemed (as the case may be) on any day fall within the aforesaid limit. If redemption requests are carried forward as aforesaid, the Managers will give notice to the Holders of Units affected thereby within seven (7) days that such Units have not been redeemed or cancelled and that (subject as aforesaid) they shall be redeemed or cancelled on the day immediately succeeding the day referred to in Clause 13.1 above.

- 13.5 Notwithstanding the provisions of Clause 13.4 above, where a Holder wishes to redeem Units which amounts to three *per centum* (3%) or more of the net asset value of the Scheme, such Holder shall give the Managers at least ten (10) Business Days' prior written notice of the intention to redeem the Units.
- 13.6 Any moratorium which may at any time be applied to payments in respect of stock exchange transactions or banking transactions shall apply equally to payments due from the Managers pursuant to this Clause or due to the Managers pursuant to Clause 12.
- 13.7 A Holder may instruct the Manager to switch his investments from the Scheme to another trust under the management of the Manager and the Manager shall comply with the same upon deducting any Exit Fee applicable as in the case of a redemption of Units and subject to meeting the minimum initial investment, minimum number of units, minimum number of unit holders per each unit trust and other requirements including the provisions of law relating to the computation of the subscription price and redemption price of each unit trust.

- 14.3 Any moneys forming part of the Deposited Property shall from time to time be invested at the direction of the Managers in accordance with the provisions herein contained. No Unit shall confer on any Holder any particular interest or share in any particular assets (including cash and earnings on cash deposits) that comprise the Deposited Property.
- 14.4 Subject to Clause 14.13, all cash and other property which, in accordance with the provisions of this Trust Deed, ought to form part of the Deposited Property shall be paid or transferred by the Managers to the Trustee forthwith on receipt by the Managers. All assets must be held by and under the control of the Trustee in its capacity as the custodian of the Scheme. Any investment in registered form shall, as soon as reasonably practicable after receipt of the necessary documents by the Trustee, be registered in the name of the Trustee. All cash shall, at the discretion of the Managers but subject always to the provisions of this Trust Deed and any limitations placed by the Commission or any other authority, be applied in the acquisition of Investments. PROVIDED THAT all or any amount of cash in any currency may, during such time or times as the Managers may think fit, be retained in cash or in short-term deposits with any commercial bank or financial institution approved by the Trustee (and in the case of financial institutions, approved by the Commission as well) and on such terms as the Managers may think fit. - 14.7 The Trustee shall, in its capacity as the custodian of the Scheme, have the sole responsibility for the safekeeping of all Investments comprised in the Deposited Property, whether in bearer or registered form and whether wholly or partly represented by paper or represented in any other article or form.
- 14.8 The Managers shall, at all times, ensure a level of liquidity required to meet the scheduled redemptions and dividends as envisaged under the relevant schemes and as specified in the CIS Code, as changed and/or amended from time to time.

- 14.9 It shall not be necessary for the Managers to effect changes of any Investment merely because, owing to appreciations or depreciations of the Investments of the Scheme, the limits prescribed by this Clause shall be exceeded, nor by reason of the said limits being exceeded as result of:

- 14.10 Subject to the provisions of this Clause, the selection of Investments (whether partly paid or not) shall in all respects be the responsibility solely of the Managers and not of the Trustee.
- 14.11 The Managers shall not be entitled, without the prior consent of the Trustee, to apply any part of the Deposited Property in the acquisition of any Investments, which are in the opinion of the Trustee likely to involve the Trustee in any liability (contingent or otherwise). In any such case, the Trustee shall be entitled but not bound to appropriate and set aside cash or other property approved by the Managers and acceptable to the Trustee sufficient to provide for paying-up such Investments in full or meeting such other liability, as the case may be. As long as and to the extent that such Investments remain part of the Deposited Property and only partly-paid or such liability continues in relation to the Deposited Property, as the case may be, the cash or other property so appropriated shall form part of the Deposited Property but shall not be available for application without the consent of the Trustee in any way other than as may be required for paying-up the Investment or meeting the liability in respect of which the appropriation was made.
- 14.12 The Trustee shall, at any time at its entire discretion and without assigning any reason, be entitled to (i) give notice to the Managers that it is not prepared to accept the transfer of any property which in the opinion of the Trustee infringes the terms of this Trust Deed and (ii) require the Managers to deposit in place of any such property other property acceptable to the Trustee.
- 14.13 The Manager shall not make or grant loans out of the Deposited Property, except with the consent in writing of the Trustee. The Scheme shall not assume, guarantee, endorse or otherwise become directly or indirectly liable for or in connection with any obligation or indebtedness of any third party.

- 15.3 The Managers shall be responsible for paying (i) the remuneration of the members of the Committee and (ii) all reasonable charges incurred by the Committee in the course of exercising its duties. The Trustee shall not be liable to the members of the Committee for any remuneration or otherwise.
- 15.4 The Managers may in the management of the Deposited Property take into consideration any advice given by the Committee, provided always that the Trustee, the Managers and the members of the Committee shall not incur any liability to the Holder by reason of the Trustee or the Managers having acted or having not acted upon the advice of the Committee.

16. DISTRIBUTIONS

- 16.1 The Managers may, as and when they shall so decide, by notice in writing direct the Trustee to distribute income of the Scheme to Holders in respect of such period (not exceeding Six (6) months), at such time and in accordance with such method of calculation as the Trustee and the Managers may agree having regard to the provisions of this Trust Deed.
- 16.2 All income of the Scheme shall, as and when received by the Trustee, be paid into a special Income Account and shall be held therein pending capitalisation or distribution in accordance with the provisions of this Trust Deed.
- 16.3 The proceeds of sales of rights and all other receipts deemed by the Managers, after consulting the Auditors, to be in the nature of capital accruing from Investments shall not be regarded as income of the Scheme but shall be retained as part of the Deposited Property.
- 16.4 In the event of a distribution being made, an appropriate amount shall first be transferred out of the Income Account and paid into the Distribution Account. The amount standing to the credit of the Distribution Account shall not, for any purposes of this Trust Deed, be treated as part of the Deposited Property but shall be held by the Trustee upon trust to distribute the same as herein provided.
- 16.5 In the event of a distribution being made, the amount of the income qualifying for distribution in respect of the relevant period shall be ascertained by deducting:
- (i) the Management Fee for the relevant period (if the Managers decide to deduct the Management Fee out of income); and
 - (ii) all interest paid during the relevant period (together with any amount of interest accrued but remaining unpaid at the end of the relevant period) on any borrowings effected by the Scheme for the time being outstanding

from the total net amount receivable by the Trustee in respect of such period of all interest, dividends and all such receipts deemed by the Managers after consulting the Auditors to be in the nature of income, and by making such permitted adjustments hereinafter mentioned as the Managers after consulting the Auditors may think fit and appropriate to the circumstances.

Permitted adjustments shall be:

- (i) addition of a sum representing any interest accrued but not received by the Trustee at the end of the relevant period, and to the extent that an adjustment by way of addition had been made in respect of any previous period, deduction of the sum representing such interest accrued at the end of such previous period. Income from an Investment quoted on a Recognised Stock Exchange shall be deemed to have accrued on the first date on which that income is declared payable. Income from any other Investment shall be deemed to have accrued on the date which, in accordance with the normal practice of the Managers, is treated as being the first date on which the value of such Investment would for the purpose of this Trust Deed be calculated excluding such income;
 - (ii) addition of a sum representing amounts included in the price of Units for income accrued prior to the date of issue, and deduction of a sum representing all participations in income distributed upon the cancellation of Units or upon a reduction of the Units of the Scheme during the relevant period;
 - (iii) deduction of all professional fees (including disbursements) in connection with matters pertaining to the affairs of the Scheme and of any expenses incurred by the Trustee in effecting registration or safe custody of the documents of title to all Investments held on trust by this Scheme;
 - (iv) addition or deduction of such sums as the Auditors shall certify to be appropriate to take account of liability for tax and of repayments receivable or received on account of double taxation or other tax relief;
 - (v) deduction of a sum representing expenses directly incurred in the effecting, maintaining and terminating of borrowings, which in the opinion of the Managers and the Auditors are properly payable out of income.
- 16.6 Once the amount of income qualifying for distribution in respect of the relevant period has been computed, the Managers shall forthwith determine the amount to be distributed, which shall be such amount (if any) not exceeding the amount qualifying for distribution as the Managers shall in their absolute discretion decide.
- 16.7 In the event that a distribution is made, the Managers shall cause to be made up and audited a statement showing the amount qualifying for distribution in respect of the relevant period. The statement with the Auditors' report annexed shall be filed with the Trustee and shall be conclusive and binding, and copies thereof shall be open for inspection during usual business hours by any Holders at the offices of the Managers. The Trustee and the Managers shall not incur any liability in relying on and acting upon such an audited statement provided that they have acted in good faith and exercised due care and diligence in so doing.
- 16.8 Neither the Trustee nor the Managers shall be responsible for any error in any estimates of tax repayments expected to be obtained or of any sums payable by way of taxation, provided that they have acted in good faith and exercised due care and diligence in so doing. If the same shall prove incorrect in some respects, any deficiency or surplus shall be adjusted on the next subsequent distribution, and the amount already distributed or added to capital, as the case may be, shall not require to be adjusted.

- 16.9 If any distribution is made in respect of an Accounting Period, during which a Unit/s is/are issued and/or redeemed by the Managers (but not otherwise), then the first such distribution and, if appropriate, any subsequent distribution so made following the issue or redemption thereof, shall be of the same net amount as the distribution to be made in respect of other Units, but shall be or shall include a capital sum which shall, subject as hereinafter provided, be equal to the Equalization Payment in respect of such Unit/s, provided that such capital sum may, if the Managers think fit and the Auditors so agree, be a sum ascertained by dividing the aggregate of all such Equalization Payments relating to the relevant accounting period by the number of Units in respect of which such capital sums are payable.
- 16.10 In the event that any of the amounts to be distributed remains unclaimed by the Holder six (6) months after the date of distribution, the Managers reserve the right to, subject to the provisions of this Trust Deed, issue such number of Units to and in the name of the Holder, equivalent in value of the said amounts unclaimed by the Holder, and apply the said amounts in full payment therefor.
- 16.11 Every Holder may, by notice in writing, elect to receive *in lieu* of his entitlement to a distribution the equivalent in value of further Units. The Manager shall in such event, subject to the provisions of this Trust Deed, (i) issue such number of Units equivalent in value and (ii) apply the respective Holder's entitlement to a distribution in full payment therefor. The option chosen by the Holder shall be revoked by such Holder upon submitting a notice in writing to the Managers. Provided however that in the case the value of a distribution is less than Sri Lanka Rupees One Thousand (Rs. 1,000/-) per Holder or such other amount determined by the Managers with the approval of the Trustee, the distribution amount shall be reinvested and shall not be paid out to the Holders.
- 16.12 The Managers may from time to time, after consulting the Auditors and with the approval of the Trustee, distribute among the Holders in accordance with Clauses 16.9-16.11 an amount representing part of the capital of the Deposited Property. PROVIDED THAT the Trustee is satisfied that any such distribution shall not result in any prejudice to the interests of Holders.

The payment of any cheque or warrant to the first named of joint Holders shall be as effective a discharge to the Managers and the Trustee as if such first named joint Holder had been a sole Holder. Every such cheque or warrant shall be sent at the risk of the person to whom it is sent, and payment of every such cheque or warrant shall be (i) a satisfaction of the moneys payable and (i) a good discharge to the Managers and the Trustee. Where authority in writing from the Holder, or in the case of joint Holders from all of them, shall have been received by the Managers or the Trustee in such form as the Managers or the Trustee shall consider sufficient, the Managers or the Trustee, as the case may be, shall pay the amount payable to the Holder or joint Holders, as the case may be, to his or their banker or other agent in the same manner and with the same effect as hereinbefore

provided as though such banker or other agent were the sole Holder. No amount payable to any Holder shall bear interest.

- 17.2 Before making any payment in or outside Sri Lanka in respect of any Unit, the Trustee and/or the Managers, as the case may be, may make such deductions as the Trustee and/or the Managers, as the case may be, is/are by the law of any country in which such payment is made or received required or entitled to make in respect of any income or other taxes, charges or assessments whatsoever.

Upon liquidation of the Scheme, each tax certificate shall show what part of the distribution represents capital and what part represents income.
- 17.4 The Managers shall (i) prepare all cheques, warrants, statements, accounts, certificates and notices which the Trustee has to issue, and (i) send or serve, as required in this Trust Deed, stamp, (where authorised to do so by the Trustee) sign the same on behalf of the Trustee, and dispatch the same on the proper day or deposit the same (together with the necessary stamped and addressed envelopes) with the Trustee so as to afford the Trustee reasonable time to examine and check the same and sign such cheques, warrants, statements, accounts, certificates and notices and despatch them on the day on which they ought to be dispatched.
